## JESUS Film Trip for Pastors

The *JESUS Film Harvest Partners* is providing the *JESUS Film equipment free* to the Central Ohio District if we

get **pastors** to go along with *Dr. Jordan* to deliver this equipment to **Guatemala**.

The trip will be **Oct. 15-22, 2007**. We will be showing the *JESUS Film* about **forty times**, and be **planting some mission churches**. I am working on the cost of the trip. If you are interested in going on the trip, please contact Don Baldwin. **If you are a pastor who has never gone on a Work & Witness trip before and are willing to give a JESUS Film trip a shot**, contact Linda Russ. The Central Ohio NMI Council is offering a partial scholarship for pastors who have never been on a Work & Witness trip.
