## Nazarene World Week of Prayer February 27—March 5 2011

"Call unto Me, and I will answer you, and show you great and mighty things, which you do not know." Jeremiah 33:3, NKJV

Coordinating with the interdenominational World Day of Prayer, the Nazarene World Week of Prayer (NWWP) is envisioned that this event will reignite prayer flames, deepen commitment to prayer and fasting, and precipitate revival.

### Prayer Plan:

- Sunday—Africa
- Monday—Asia-Pacific
- Tuesday—Caribbean
- Wednesday—Eurasia
- Thursday—Mexico, Central America
- Friday—South America
- Saturday—United States, Canada

### What can you do?

- Local Presidents are encouraged to copy and distribute requests for the week and to challenge their people to pray
- Have the church open for prayer throughout the week, allowing people to come in and pray for the regions a set times
  - Have a special prayer service in which your

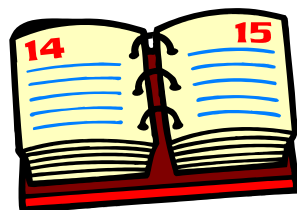

church prays for each region, either as individuals, groups, or corporately

So many regions of the world are suffering right now, prayer is the only remedy. Please pray.

### Did you know....

- **That the Church of the Nazarene is now in 156 world areas now, and that new area is Mali, West Africa**
- **That throughout the course of an average week in the Church of the Nazarene, there are 12575 commitments to Christ?**

# Let's Get Ready to Rally!

You know spring is just around the corner when zone coordinators are busying themselves getting the final details together for the Spring NMI Rally. If you haven't put the NMI Zone Rally on your church calendar yet, let's get to it!

Our speakers this year are Joel & Sarah Mullen, missionaries to Italy. You won't want to let your church miss out on hearing what God is doing in their ministry.

We especially encourage you to bring your youth. God calls so many to the mission field in their early years.

If you have questions, contact your zone coordinator; they are here to help you thrive as NMI President of your local church so don't hesitate to reach out to them and pull from their experiences. We want to take this time to thank all of our Zone Coordinators as well as our District Zone Coordinator, Carol Shaw, for all the hard work they put into pulling the rallies together. We couldn't have the rallies without our coordinators, so don't forget to say a word of thanks for each of them.

## JESUS Film Update

JESUS Film teams have reported 57, 973, 686 contacts using Jesus Film and other tools from January 1998 through February 2011. Of these contacts, 10,330,881 (17.8% of total contacts) have indicated decisions for Christ with 3,757,883 (36.4% of decisions) initial discipleship follow-ups. There have been 25,696 preaching points started because of this ministry.

Here is just one of the praises from the field:

"I suffered for a month," said 18 year-old Rebeka in India. "I was

sick and my whole body was aching." One day, the JESUS Film was shown near my house. I saw Jesus performing miracles in the film. After the film, I asked the team members to pray for me. They prayed for me and I was healed. Truly, Jesus is the Son of God. I accepted Him as my personal Savior. He is everything to me! Praise His name!"

Please continue to pray for and support JESUS Film Harvest Partners.

## From My Heart to Yours...

"May the Lord make you increase and abound in love to one another and to all." (1 Thessalonians 3:12)

As You have loved me, let me love  
Lost souls in darkness dwelling;  
To draw the needy ones to You,  
Lord, give a zeal compelling! - Bosch

Love is the magnet that draws believers together and attracts unbelievers to Christ.

Blessings,  
Betty

## Beautiful Feet

What Central Ohio Churches Are Doing to Spread Good News!

"Walk in love, as Christ also hath loved us, and hath given himself for us." Ephesians 5:2

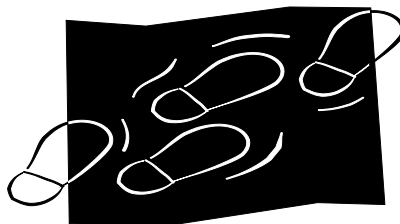

There are some beautiful feet at Reynoldsburg Church this week. A group of twelve left the comforts of home and traveled to Honduras for a Work & Witness trip with Tom and Amy Hanes.

The team worked in a remote area of the country to finish a block home for the village pastor. They then helped another team from Pennsylvania prepare a foundation for another church.

On the last day of their trip the

group visited the Tegulcigalpa garbage dump and ministered to those living on the dump by giving them sandwiches and drinks.

Word has it that lives were changed during their trip... especially the twelve who returned to Ohio. There's something special that happens to people with beautiful feet!

Beautiful the feet of those who bring Good News!
